

REMARKS

Review and reconsideration on the merits are requested.

A telephone interview was conducted with the Examiner concerning this application on or about May 21, 2009 to discuss the Advisory Action. The Examiner indicated that terminology such as “accommodated” was not clear, and some other language should be used.

Applicant’s had considered using “housed”, but since “contained” is used at col. 5, line 41 of US 5,934,470 and at col. 6, line 3 of US 6,491,165, “contained” might be better language.

A brief telephone interview was further conducted on June 2, 2009.

The Examiner indicated that more precision regarding the design prints and the boundary lines should be provided in the claims, i.e., the use of “contained” was not sufficient.

A one month Petition for Extension of Time is filed herewith.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
